Adriatic Shipyard Bijela gained
RINA Certificate of Approval of Service Supplier

During the second half of 2012, Adriatic Shipyard Bijela has accessed the activities in order to obtain the status of' "service supplier" for servicing of lifesaving appliances, taking into account requirements of SOLAS Convention (Chapter 20/III), IMO documents MSC.1/Circ.1206 Rev. 1 and MSC.1/Circ.1207 and RINA's regulations.

The acquiring of this status is based on the fact that the Shipyard has years of experience in servicing of these appliances in accordance with SOLAS Convention and shiprepair activity in general.

After conducted activities that were involving:

1. Development of the Plan for servicing of lifesaving appliances in accordance with recommendations given in MSC.1/Circ.1207, which was approved by RINA;
2. Development of the program and implementation of training of the staff being directly involved in the servicing of equipment;
3. Lines of communication with RINA Office in Trieste in connection with formalities for conducting audits and certification

To Adriatic Shipyard Bijela was awarded on 8th October 2012

CERTIFICATE OF APPROVAL OF SERVICE SUPPLIER No. 2012TS011205.

Adriatic Shipyard Bijela - Bijela Montenegro has been approved in compliance with the RINA "RULES FOR THE CERTIFICATION OF SERVICE SUPPLIERS" for the supply of the following services to ship and other units classed by RINA: Z - Inspection, maintenance and repair of lifeboats, launching appliances and release gears.

The effects of certification are reflected in the ability of the Shipyard to perform independently inspections, testing and repair of lifesaving appliances, instead under the supervision of another "recognized organization", with no restrictions when vessels with RINA Class are in question.
It can be expected that the most of other registers of shipping recognize this status.
